

## THE SEWING SENIORS SEW THE SUMMER AWAY

The sewing club at the Evergreen Senior Center was busy with many projects this summer. Pictured above, several members of the club work hard sewing warm hats for under privileged children in Woodbridge Township. The hats will be put into backpacks that will be given to the children at the start of the new school year. Pictured below, the seniors turned shirts that were donated to Mayor McCormac from the many organizations in the township into two beautiful quilts that will proudly be displayed at Woodbridge Town Hall. The seniors have also donated infant caps for ill newborns, blankets for Veterans, Christmas Stocking and many other items. Thank you Evergreen Sewing Seniors...Keep sewing!
